

BARRIER® Medical Face masks

Extra Protection

Four-layer splash-resistant medical face mask for an extra level of protection particularly in interventions with large amounts of fluid.

- Four-layer splash-resistant design
- 98% bacterial filtration efficiency
- Ear loops
- Tie bands
- Available in a wide range of different designs that can include anti-fog, visor and cup-keeper
- Complies to EN14683:2019 + AC:2019 requirements for medical face masks
